Outdoors NZ clients

OutdoorsNZ has advised they are resuming audits. Existing clients can expect to hear from them soon (if they haven't already). Contact garth@outdoorsnz.org.nz for auditing enquiries, and for more information go to www.outdoorsnz.org.nz

Early registration deadline revoked

WorkSafe NZ advises that it has revoked all early registration deadlines, which means all adventure activities operators now have the same deadline of 1 November. Work is underway to ensure a range of audit providers is available, and WorkSafe NZ will write to operators direct to let them know these options as soon as they are confirmed. It is contacting all operators individually to confirm where they are at in the audit process, and what specific help they need. [Read more.](#)

Operators should continue to email WorkSafe NZ at aao@worksafe.govt.nz with any specific queries or concerns.
